Subject: Nitrate info

I have not gotten a response from Barb Theis at the Juneau County Health Department yet. I believe these are the documents that she said she would send to me – the Juneau/Wood County press release and the WDNR nitrate fact sheet. Barb said that we could include her name and number as a health department contact. Her number and email are (608) 847-9373, btheis@co.juneau.wi.us
